**TECHNICS SELECTS VALUE ELECTRONICS TO BE THEIR LAUNCH PARTNER FOR
THE 50th ANNIVERSARY GRAND CLASS DIRECT DRIVE TURNTABLE
THIS EVENT WILL BE AT VALUE ELECTRONICS IN SCARSDALE, NY**

Audio Experts will Demonstrate Technics Audio Systems

SCARSDALE, NY (February 22, 2016) – Value Electronics is proud to announce a special Technics Open House in their Scarsdale, NY showroom. Consumer electronics world leader, Technics, will launch their 2016 Grand Class SL-1200GAE turntable at Value Electronics in Scarsdale, NY on Saturday, March 5, 2016 from 2PM to 5PM. Technics and Value Electronics will host the event and provide live demos of the latest direct drive turntable with a very compelling audiophile demonstration.

Listen to some of the finest audio recordings on vinyl records like the artists and recording studio intended them to be heard. Bring your favorite records so we can play them for everyone to enjoy.

Technics legendary SL-1200 turntable has been redesigned to be the new standard in 2-channel audio reference performance that delivers a new level of audio performance that will thrill all who attend this World Class launch demonstration.

The featured guest will be Bill Voss, US Business Development Manager for Technics. Bill will be demonstrating and discussing Technics' latest introductions for 2016 including the return of the legendary and iconic SL-1200GAE Turntable, new SU-G30 Integrated AMP/DAC/Phono/Network Player, Stereophile's "highly recommended" new SB-C700 linear-phase point-source Loudspeakers, world class EAH-T700 Headphones and OTTAVA All-In-One Music System

Along with experiencing the highest grade of audio performance available, attendees will enjoy fine food and beverages.

This offer is limited to the first 100 from the media and public who request an invitation. So if you are interested in attending this free event email rzohn@valueelectronics.com. We'd love to see you at our Technics audio party.
